## Tiered Benefit Solutions designed to help lower costs

Our Oxford Connecticut Liberty Network plans include a tiered network structure when seeking care from primary care physicians (PCPs) and specialists.

While members can choose from any provider in the Liberty Network, seeking care from highvalue Tier 1 physicians will result in lower out-of-pocket costs.

Members are required to choose a PCP. This PCP can help coordinate care and refer members to a specialist, when needed. Members may select a PCP from our Tier 1 network.

Members simply need to log in to **myuhc.com** and look for a provider with a Tier 1 symbol.
