The UnitedHealth Premium® designation program is a resource for informational purposes only. Designations are displayed in UnitedHealthcare online physician directories at [myuhc.com](https://myuhc.com)®. You should always visit [myuhc.com](https://myuhc.com) for the most current information. **Premium designations are a guide to choosing a physician and may be used as one of many factors you consider when choosing a physician. If you already have a physician, you may also wish to confer with him or her for advice on selecting other physicians. You should also discuss designations with a physician before choosing him or her. Physician evaluations have a risk of error and should not be the sole basis for selecting a physician.** Please visit [oxfordhealth.com](https://oxfordhealth.com) for detailed program information and methodologies.
